THIS REMINDS STUDENTS OF THEIR PURPOSE OF DOING MARTIAL ARTS TRAINING, AND EMPHASISES THE CORE
VALUES OF MARTIAL ARTS.

PANDA PROMISE

Students under 5 years

I'm a little Panda, Small and strong
I'll try my best, All day long
I won't use Martial Arts
At home or at school
I'll listen and respect
Others too.

TIGER OATH

Students 5 years to 7 years

I promise to: Focus really hard and try my best
Listen to Instructors and follow the rest

kick really high and earn my stripe
I'll show myself I can do things right

I'll respect Instructors and my peers
And thank my family for driving me here

I won't use Martial Arts at school or at home
And that's my TIGER OATH!

STUDENT CREED

To build true confidence through knowledge of the mind,
Honesty in the heart, and strength in the body.
To keep friendship with one another
And to build a strong and happy community.
Never fight to achieve selfish ends,
